1. Prof. Karl Krejci-Graf, chief geologist for the Soviet Oil Administration (SOMV) who recently left Vienna to take up a new position in Sweden, apparently did not proceed directly to Stockholm as he had originally indicated. According to a report dated 23 January 1951, Krejci-Graf stopped off at Hannover to confer with Prof. Alfred Benz, a petroleum geologist who is expected to return from India sometime within the next few weeks. Krejci-Graf has informed his friends that he can be reached at Benz's address: Zelle bei Hannover, Gueterbahnhofstr. 26.
